

Rose's photo of Pancho and Luz Corral

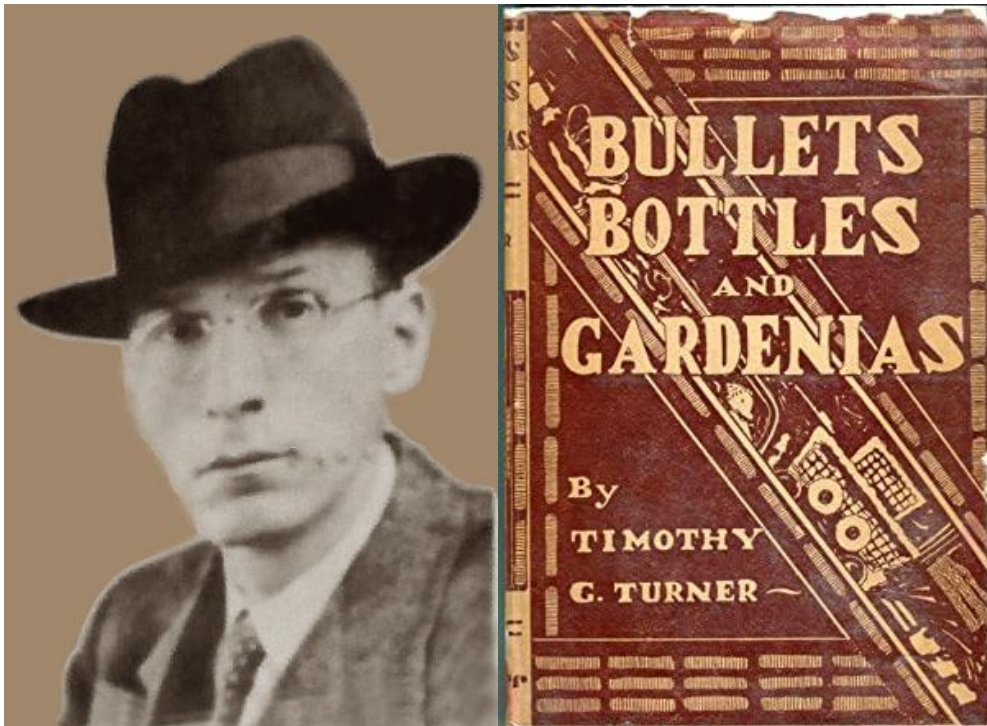

Rose at work

Union Station where Rose arrives looks almost the same now.

The photo of Pancho Villa, (left) Pasqual Orozco (next to the column), and Rodolfo Fierro (right). Otis Aultman actually took this picture, not Rose.

Timothy Turner and the book he wrote.

Alligators in San Jacinto Plaza

San Jacinto Plaza and the Sheldon Hotel on the right, where much of the action takes place.
